Dear Hi Point 1522 LLC thru Power Property Management Inc/ Kassandra Harris resident manager:

1. The intercom is not working in my unit and needs repair.
2. The Akuvox Intercom functions is not working and needs repair.
3. I have not been supplied the cell phone and wifi housing services in order to use the Akuvox system intercom function.
4. I forwarded you a money order for \$50 for the tandem parking stall but still have not been assigned a tandem parking stall.
5. The car in stall #9 is not registered and is considered an abandoned vehicle and illegal storage. That is the parking stall for tenant unit 7.
6. The housing services being denied have been requested on a monthly and sometimes weekly basis within and up to the last four years.

Attached is a copy of the staff directory for Mayor Karen Bass office.

I am a tenant who is Ham-Jew-DNA-Kushite/Black male American . I am a Black male tenant, aged over 45, and with a disability entitled to all privileges and rights under the State Unruh Act, CC 51,52.
