To whom it may concern.

Services requested have still not been provided.

Reasonable housing accommodations have still not been provided.

The City code enforcement has not cited the property for the accessibility requirements under the Los Angeles Building Code.

I believe these actions are occurring and discrimination because of my race, Black, medical condition, and disability. None of the parties listed have offered a legitimate reasons for the discrimination and retaliation against me.

The resident manager and others continue to park in stalls that they are not assigned to. See the picture of car parked in stall 15 which is normally parked n stall 16. I have been denied a similar privilege and service to park my car in a tandem parking stall. If the tenant #12 parks in stall 15 and 16, then that has been denied to me after the owner stated the parking was first come first served. The owner claims there are no stalls available but you can clearly see from the picture that vacant stalls are

available. The tenant parking in stall 15 proves that there are stalls available. See picture.

My rental agreement clearly says "Parking Space 1" and "Parking Space 2", which indicates to me that the owner intended there to be parking for two cars for this unit household.
